

# VISITS TO SPACE

## Visits to the Sensory Rooms

Prices for hiring our sensory rooms are dependent on which room you wish to use, the purpose of your visit and how many people are in your group. For more information, please see our separate price list. Each session can accommodate anywhere between 30 children and adults. We also offer a number of Family Sessions and Adult Open Sessions which can be booked by individuals who do not mind sharing a room with others - making the experience financially accessible to everyone.

If you wish to book a sensory experience at The Space Centre, please call us on 01772 760 403, or email us at [thespacecentre@gmail.com](mailto:thespacecentre@gmail.com) for information and availability. Please note that booking is essential.

All fees go towards the running of the centre.
